

Main Street Odessa is a non-profit organization dedicated to the revitalization of downtown Odessa. Part of the Texas Main Street Program managed by the Texas Historical Commission, Odessa is one of the few urban cities selected to participate in the program.

Your membership allows these and many more efforts to continue. If you would like a tour of a project under construction, program information or just an audience to listen to your ideas, please feel free to contact us.

When you join Main Street Odessa, you are joining a partnership that is already working on behalf of the community. We offer programs such as: Building Information Assistance, Design Assistance Program, Façade & Sign Grants, Grand Opening Assistance, Banner & Brick Program, Advertising Opportunities & Special Events.
